Cala is available in various sizes with a dual slatted base.

The most elegant, refined part of the design of this bed is its softly upholstered headboard which boasts vertical stitched details for a touch of dynamism.

The different positions of the front and back feet make the bed extremely elegant.

The optional secret box with its sliding drawer below the slatted base makes it easy to store away bed linen and other objects.

The Cala bed also features a bench with wood drawers available in the same coverings.

Coverings

The back also has removable covers in fabric or leather so the bed can even be placed in the middle of the bedroom.

Here are some suggested arrangements.

Available in the same coverings as the bed, the **Cala** bedside table is a perfect match for the bed.

Claudio Bellini lives and works in Milan, the city of design. His creative streak was evident from early childhood, thanks to the work of his father, Mario Bellini a esteemed figure in the Italian design scenario and a great source of inspiration for him. The Claudio Bellini Design studio was founded in 1996 and, since the outset, its activities focused on research, new technologies, and creative processes.
