Campus is perfect for any living room space with its modular elements which will help you create the right combination for your space and furnishing requirements. Since seats are upholstered on all sides they can be placed separately throughout the house. The slip cover underneath the seat elements prevents them from slipping out of position. The Campus system also features tables, a sideboard, and a dining table and chairs.

## **Padding**

The blend of exquisite high-density polyurethane foam and Climalight padding, using special anti-allergy, breathable materials, ensures lasting good looks and support.
